****Make sure to WEAR YOUR PCFC shirt for each field trip. Each field trip will be \$10/child or both field trips \$15/child for the week. This will cover transportation cost and admission into each field trip. Field trip cost will be added on to your fee for that week. Thursday's we will be traveling to different Parks in the area. Counselors will be bringing extra equipment to play kickball, baseball, etc.****

Any questions, please ask!

Besides field trips, we would like to share a couple more things:

*We are looking for certain items that may be laying around your home and not being used☺ If you have uno cards, decks of cards, old games like Life, Monopoly, Clue, Legos, etc and would like to donate them to our Summer Camp Programs...Please let Melissa know☺ Thank You!

*PLEASE make sure to bring your child INTO the building each day. A parent/guardian **MUST** sign the child in and when picking up a parent/guardian **MUST** sign the child out. This is very important and is a requirement of State of Wisconsin Licensing.

Each child will need to keep an extra set of clothing on site
-Each child will be assigned a cubby to store it.

NO video games, I-pods, etc Players Choice of the Fox Cities is not responsible for anything stolen or taken, so we would like these types of items to stay at home!*

We would like each child to keep on site: a book, cross word puzzle book, workbook, something that is educational for your child, etc. Each day we will be setting aside 30 minutes of quiet/down time.

Sandals and crocs are not safe footwear for the types of activities we do at summer camp. Please make sure your child arrives to summer camp in tie/lace shoes or any other type of athletic shoes.

Please refer to website for all menus, forms, etc.
www.pcfoxcities.com *Menus are subject to change*

SUNSCREEN! Please make sure to apply sunscreen on your child before arriving at Players Choice. If you choose, you can keep a bottle of sun screen in your child's cubby also. Please LABEL it with your child's name.

Water bottle! It is important for your children/child to stay hydrated! Please send a water bottle with your child.

*We do have a café with treats, etc to purchase. If you would like to send money with your child to purchase any treat, please send your child's money in a sealed envelope with his/her name on it. Thanks!

If there are any questions, please ask! We look forward to a fun filled summer! Thanks so much!

~Melissa Bayerl
